The theme of the convention is 'Creating the Fellowship We Crave'. We aim to include speakers from every country where DAA groups have formed. Speakers will be invited to share their experience of Recovery, Unity and Service in DAA. Registration begins at 11 a.m., with the first speaker on stage at noon. We will break for lunch for an hour at 1:30 and then continue until around 8 p.m. There will be two refreshment breaks during the afternoon/evening session. A detailed programme will be available soon.

The first World Conference aims to explore what the future might hold for DAA and to establish channels for effective international communication. We hope to bring together as many DAA members and groups as possible for the second day of the event. Doors open at 10 a.m. for a 10:30 start; we will finish at 4.30 p.m.
